

Does This Sound Like You?

- At least 18 years old
- Responsible and capable of exercising good judgement in caring for children
- Have a high school diploma, GED, or higher level degree
- Speak, read, and write English fluently enough to communicate with parents.

If so, you have all the basic qualifications to become a Navy FCC provider.

Yes, you can live off base!

Providers who live off base must meet all the Navy standards and any applicable state requirements. Your local Family Child Care office can give you all the details.
